

Drugs Or Alcohol Affecting Your Family?

SAFE
PROGRAM
Where **HOPE** is born.

*Is someone in your family
struggling with drugs or alcohol?
Are you feeling alone; helpless?
Confused and hurt?
Losing hope?*

The **Substance Abuse Family Education** Program can help you to find hope in your struggle with a loved ones addiction.

The SAFE program has been developed through insights gained in Billy Weselowski's Masters Degree Thesis (www.pbSCO.com/tricity). 15 years of experience contributed to this intensive look into the family unit and barriers to "family wellness". Together, we'll create an individualized action plan for the future. SAFE provides addiction knowledge, awareness, support and healthy tools to the family struggling with a loved ones substance misuse and/or abuse issues.

During the six week period (18 educational hours), participants will explore:

- Resources For the Family
- Addictive Behaviors/Cycles
- Anger Awareness
- Conflict Resolution
- Communication Skills
- Resources For the Addict
- Peer Support and Feedback
- Individualized Assessments
- InnerVisions Education Videos
- Empowerment and Hope
